RE: CitiMortgage Loan #: 0003776420

Dear CitiMortgage Customer(s):

We are returning your check #725 for \$940.00 because it was less than the full amount due to bring your account current. Unless prior arrangements have been made, only the full amount due will be accepted. Continuous delinquency is not acceptable. CitiMortgage offers a number of programs to assist customers who experience payment difficulties, and we would be happy to discuss those options with you.

We are anxious to help you bring your mortgage account to a current status, but to do so we must speak with you immediately. Please call us toll free at 1(800)723-7906* to discuss your account. To ensure that this payment reaches us in time, you may make your payment using Phone Pay. Phone Pay lets you make your mortgage payment by phone using funds directly from your checking account. There is a fee for this service.

Have you considered our E-Z PAY Program? This program will automatically deduct your mortgage payment from your checking or savings account each month. Additional information and an application to sign up for the E-Z PAY Program are on your monthly statement.

Thank you.
